

IMPS 2026

With up to 500 participants, the IMPS is arguably **the largest international technological experience exchange event for paper, board and tissue in Central Europe**, with 34 years of consecutive success. The scale of the event ensures ample opportunity for discussion in a first-class setting. The IMPS is an ideal platform for producers and developers in the paper, board and tissue manufacturing industry, the printing industry and the associated supplier industries to meet. The content is not concerned with visions and expectations, but rather with **initial reports from mills on improvements that have proven effective in practice**.

This esteemed European paper conference is of significant importance and will be conducted with **simultaneous translation into both German and English**.

This conference is **unparalleled in the proportion of presentations and participants from tissue, paper and board mills** that it attracts.

The IMPS is more than just a conference – it is an investment in your professional development and your company's future. Secure your place now and benefit from a unique experience that puts innovation, expertise, and networking at its core.

Be part of the success story – we look forward to welcoming you in Munich!

34th

International Munich Paper Symposium

in Germany

17–19 March

2026

Why You Should Attend:

- **Exclusive Atmosphere:**
With a limited number of participants, you'll enjoy an elegant and personal setting that fosters meaningful discussions and the exchange of ideas, in the Bavarian capital.
- **High-Quality Content:**
Experts from paper, board and tissue mills will present the latest developments, innovations, and best practices, ready for application in your daily work.
- **Valuable Networking Opportunities:**
Connect with international decision-makers and industry leaders in a welcoming and professional environment.

Included Benefits:

- **Simultaneous Translation:**
Headsets provided for simultaneous translation of all presentations in German and English.
- **Exclusive Conference Materials:**
Online access to abstracts, digital proceedings, and presentations in PDF format – ideal for post-event reference.
- **Top-Class Catering:**
Refreshments and snacks during breaks, as well as exquisite three-course lunches on the conference days.
- **Memorable Evenings:**
Enjoy a festive gala dinner with fine beverages on Tuesday evening and a cultural evening on Wednesday.
- **On-Site Insights:**
Participate in a technical excursion on Thursday (subject to availability) to either an engineering company, a world famous paper mill, or the well-known Munich University of Applied Sciences.

For over 34 years, the **International Munich Paper Symposium (IMPS)** has been an essential meeting point for professionals in the paper, board, and tissue industries. Typically, more than a third of participants come from board and paper mills. This renowned event, with a small but superb exhibiton, offers a unique platform for international knowledge exchange and networking with colleagues from across the globe.
